Dear Parent / Carer,

## **Re: Publication of Sixth Form League Tables**

As you may be aware the Secondary School Results League Tables were published last week.

I am delighted to report that once again our Sixth Form has performed very well.

Across a range of indicators our Sixth Form performance has comfortably exceeded the national average once again, and confirms once again that our results are the best state provider in Waltham Forest, and somewhat further afield.

For your information, I include the results of other local providers below.

<b>Sixth Form Provider</b>	<b>% of A-Level students achieving 3 or more A-Levels at A*-E</b>	<b>Average Point Score per A-Level entry</b>	<b>Average Point Score per A-Level student</b>
Chingford Foundation School	100	224.3	875.6
Trinity Catholic High School	87	218.1	730.8
Walthamstow Academy	66	205.2	720.8
Highams Park School	78	195.5	712.3
Leyton Sixth Form College	76	198.9	700.7
Heathcote School & Science College	85	197.1	693.3
Sir George Monoux College	63	187.6	656.4
Holy Family Catholic School	62	200.2	635.1
<b>England Average – all schools</b>	<b>78.7</b>	<b>216.1</b>	<b>778.3</b>
<b>England Average – state schools</b>	<b>77.2</b>	<b>211.9</b>	<b>763.9</b>

Whilst these results are once again extremely pleasing, the message we continue to emphasise in tutor time and assemblies is that students can be assured that the support and resources are here to help them achieve. Nonetheless, good results cannot be taken for granted and students do need to stay fully and consistently focused on their work in order to achieve their potential.

Yours sincerely,

**Mr. N Taylor**

**Director of Post-16 Education**

*Aiming to develop students who are caring, resourceful, employable and well-qualified.*
