

# Options Form 2020

## Year 8 Progression for KS4

Name \_\_\_\_\_ Form Group \_\_\_\_\_

At Chingford Foundation School we believe that every student should study a broad and balanced curriculum that will both provide preparation for further education and employment and allow room for self-expression and to pursue students own interests.

All students will study: GCSE English Language and English Literature, GCSE Mathematics, GCSE Religious Studies, GCSE Combined Science– with the option of studying separate sciences, there will also be 2 lessons a week of PE, a lesson of citizenship and a PSHE programme through drop days/assemblies/tutor periods.

All students will study at least one humanities subject. Please tick preference(s):

	Tick to Select		Tick to Select
Geography		History	

All students will study **up to 3** of the Options below, to make 10 subjects in total.

Please select **3 choices**, and number them in order of preference 1, 2, 3 and a reserve 4. If you wish to study both Geography and History select 2 choices, and a reserve 3.

	Number Preference		Number Preference
<b>GCSE French</b>		<b>GCSE Spanish</b>	
GCSE Art and Design		GCSE Food and Nutrition or a GCSE equivalent Hospitality and Catering Course <sup>^</sup>	
GCSE Biology, Chemistry & Physics (separate sciences)		Cambridge Award in Health & Social Care (GCSE Equivalent)	
GCSE Business Studies		GCSE Latin	
GCSE Computing or a GCSE equivalent ICT Course <sup>^</sup>		GCSE Media Studies	
GCSE Drama		GCSE Music	
GCSE Electronics		GCSE Physical Education	
GCSE Design Technology – Graphics Route <sup>*</sup>		GCSE Design Technology – Resistant Materials Route <sup>*</sup>	
City&Guilds in Woodwork (a certified course, <b>not</b> a GCSE equivalent)		Inclusion programme – this can be for up to 4 Options with agreement with SEN dept.	

<sup>^</sup>Students who opt for the computing and catering courses will be interviewed individually to determine the most appropriate course for their interests and aspirations. <sup>\*</sup>Only one of the two design technology options can be selected.

If there is insufficient demand, we are sorry, but we will not be able to offer a course. The structure of the timetable means not all combinations of subjects will be possible, and in this case and in the case of too high/low demand for courses students will be spoken to individually to resolve the issues.
