The school has many distinctive characteristics:

- We are a large 11–18 mixed school with an impressive heritage, which we exploit and celebrate.
- We have a style and approach which ensures details in academic and pastoral matters are not overlooked and are given an equally high priority in a safe and harmonious environment.
- Our combined specialisms in Arts, Humanities and Sports subjects mean that innovative, high quality provision is available to enable students to develop their specific aptitudes and skills.
- The school benefits from an attractive, historical location in which to provide a modern education for students. Its excellent facilities occupy spacious grounds and buildings which also provide a center for community activity.
- In November 2014, OFSTED judged the school to be '**good**' with outstanding features. The Sixth Form was given an '**outstanding**' rating.
