

ONLINE SAFETY FOR PARENTS

www.thinkuknow.co.uk

What to Say to Children:

- Report cyberbullying and save the evidence whenever possible
 - Don't be pressured into sending inappropriate images
 - Only post things you would be happy with your family seeing
 - If something happens, tell someone at home or at school

Advice for Gaming:

- Monitor who your child is talking to via messages or headsets
- Use passwords on bank cards - many games have in-game purchases
 - Set up time limits on how long they spend playing

Advice for Social Media:

- Check 'Privacy Settings' are being used on social media
- Tell them not to accept friend / follow requests from strangers
 - Ensure that they never share their location
