VALUE FOR THE MONTH: THE RULE OF LAW

THEME FOR THE WEEK: SAFETY WEEK

This week is 'Safety Week' and I would like us to make this one of our main foci going forward.

Being safe means we are happy in our work space. What sorts of things make us feel safe and healthy?

- Responsible use of mobile phones and communication on social media
- Eating healthily
- Being involved in sport
- Keeping our environment clean
- Speaking to each other in a respectful way
- Being dressed smartly for school (i.e. work)

Thank you in advance to all students who are helping with our Open Evening. Let's work hard to show off what is best about our school, and in preparation for this very important evening, let's all do our bit to keep our environment neat and tidy.

Have a good week.
