VALUE FOR THE MONTH: PERSEVERING

THEME FOR THE WEEK: 'BY FAILING TO PREPARE, YOU ARE PREPARING TO FAIL' (BENJAMIN FRANKLIN)

Homework is a vital part of your preparation for school. Homework is a vital part of the curriculum that we deliver. Homework also gets you into good habits. Training yourself now puts you in a good position once you enter higher education and the world of work.

Perhaps you ought to do more? In Spain, parents are going on strike because they believe their children are set too much! And yet, they do five hours a week less than children from countries in East Asia! Are those children better prepared for work in the 21st century compared to you? Out of interest, the average UK student does two hours per week less than those students in Spain.

Think about it....

Remember ... Respect, Responsibility, Leadership.
