**VALUE FOR THE MONTH: PERSEVERING**

**THEME FOR THE WEEK: REVIEW OF THE TERM AND PRAISE ASSEMBLY**

Well done everyone for a great term's work. And what a term it has been! We know that you are working well in class but you have excelled in so many other areas as well.

We celebrated our GCSE students' achievements and attainments in November. We wish all our current Year 11 students success in the new year starting with the Pre Public Exams in January.

Our Year 10 students were involved in putting together a fantastic Senior Citizens' Party. Students from Years 9, 10 and 11 have been involved in many Beyond Horizons activities on Saturdays.

We also celebrated our Jack Petchey Award winners and they are honoured in our Newsletter. Credit goes to the student representatives who put forward your views so well in the Student Forum held last month.

Many congratulations to all of our students who have been involved in trips as varied as 'An Inspector Calls', merit trips and Sorrento. We have danced our way through Flamenco, Arts Award and walked for Haven House. Our sporting prowess in all aspects has been second to none (literally).

As a school we have done our homework and worn our uniforms with pride. All this is possible because you have an army of my colleagues working for you, either in front of you in the classroom, or discreetly behind the scenes. They make you feel safe, keep you informed and of course, teach you. Please spare a thought this Christmas for everyone that helps you in the school.

Have a great break, enjoy your family time, be good citizens and have a great (hardworking!) new year!
