VALUE FOR THE MONTH: TOLERANCE OF DIFFERENT FAITHS AND BELIEFS  
THEME FOR THE WEEK: 'FAITH IS ALL ABOUT BELIEVING, YOU DON'T KNOW HOW IT WILL HAPPEN, BUT YOU KNOW IT WILL'

This is an important few weeks for the school as we rapidly approach our Easter 'break'. We need to help each other build on the good work that is so evident when we walk the school. Be grateful to the teachers who are delivering a very good education for you.

The same attitude that you bring to class must be evident when you walk to and front school and in your dealings with each other. Sometimes it is tardy. We also need to care for our environment and make sure we look after our site. The better we keep it, the better we will feel. The same with uniform, the 'smarter' we are, the 'smarter' we become.

Can I also remind all students about mobile phones. The official line is that you are encouraged not to bring them to school. If they are seen during the day, and on the school site, at any time, then they will be confiscated. If they are used at all during the school day (except under exceptional circumstances and under supervision) then you can expect the harshest punishment. If you use them against other students and staff, then you can expect a permanent exclusion. Please make arrangements to see me with your parents if there is any misunderstanding to this message.
